Natural Vedic Incense Sticks

WHO ARE WE?

We are an company that produces natural wellness products in connection with some traditional ashrams. We are committed to using only the highest quality natural raw materials and source our ingredients from local producers whenever possible, ensuring that our products support sustainable agriculture and local economies. We believe in honoring human values in the workplace and utilizing traditional manufacturing processes.

We use theertham, which is sacred water, to make our products. It carries positive energy and can help to energize your home. Our research efforts are solely focused on creating natural products. Our customers deserve nothing but the best, therefore we spare no effort in ensuring that our products meet the highest standards of quality and efficacy.

Thank you for choosing PremaNature

SPECIAL FEATURES

Wish Fulfilling

We help you to fulfill your wishes with special Wish Paper™ and instructions in each packet.

~~~~

### Self-Empowering

Each packet contains a sticker with an inspiring quote from our histories wise.

~~~~

High Quality & Natural

Better for your health and better for the environment than the common synthetic perfume based incense, resulting in less allergies and headaches.

~~~~

### Clean Burning & Low Smoke

Pure charcoal gives a clean burn and reflects the true fragrance of all ingredients. Pure charcoal is free from chemicals and is known for its purifying properties.

~~~~

Hand Rolled

All our incense sticks are hand rolled by rural women while chanting vedic mantras infusing our sticks with positive vibrations.

~~~~

### Sustainable Packaging

We put great effort in developing degradable packaging.

## ESSENTIAL INGREDIENTS

---

### Essential Oils

We use essential oils directly sourced from nature.

### Tree Resin & Herbs

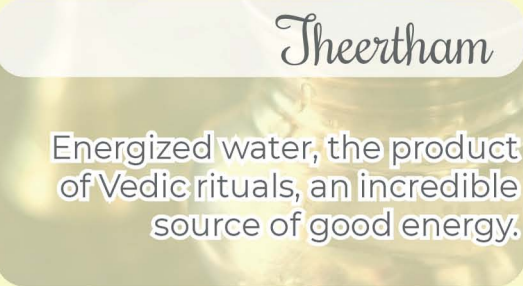

These ingredients give incense its authenticity and good vibrations.

### Pure Charcoal

Provides a clean burn as it is already carbonized. No added nitrates or sulfates. Pure smell!

### Theertham

Energized water, the product of Vedic rituals, an incredible source of good energy.
